

Afternoon Session

Mechanisms

Hydrolysis and methanolysis
or alcohololysis

Write reasonable mechanisms

A FAT

Preparation of Soap

Write a reasonable mechanism,

Write a reasonable synthetic pathway from the given starting materials $\rightarrow$ target

Mechanisms

1/9

2/9

3/9

4/9

Will happen 2 more
times

5/9

7/9

Anhydride

8/9

Synthesis is

9/9

OR Not using new technology
